

CAREERS FOR THE **CURIOUS**

POSITION TITLE

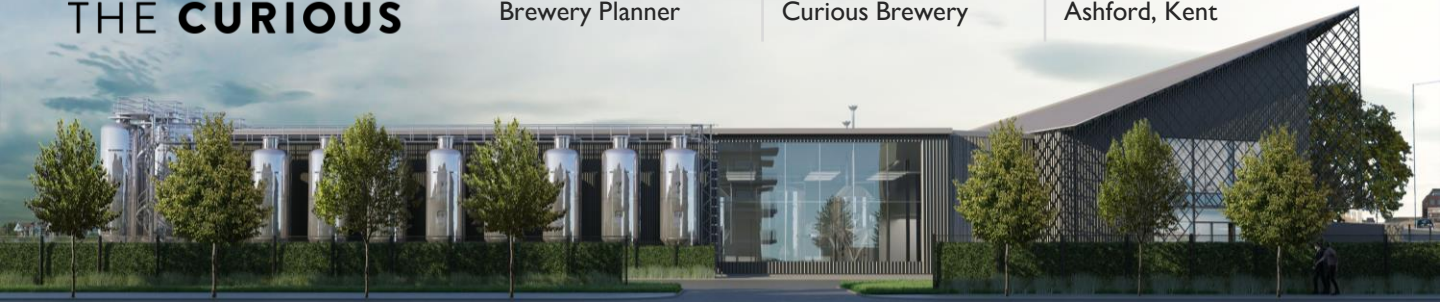

Brewery Planner

COMPANY

Curious Brewery

ROLE BASE

Ashford, Kent

WHO ARE WE?

We are The Curious Brewery. Where flavour and passion comes first. We believe in trying to create things that others can't.

Our reason for being is to inspire people to stay curious. To question. To celebrate. To smile more. And to never graduate from the school of life. We decided to make the best tasting beer and cider, using just the best quality ingredients and our skill as England's leading winemakers.

The Curious Brewery was established in 2011 and is part of one of the UK's most exciting drinks companies and leading winemaker, Chapel Down.

WHO ARE YOU?

You should have strong Microsoft Office skills, with experience in production planning & planning tools preferential.

You should have excellent interpersonal and organisational skills.

You should be result focused with an eye for problem solving and process improvement.

But most importantly.....You should be passionate about Beer, be inspired to challenge the norm and dedicated to supporting a team that want to change the way that people drink & think about Beer!
